Bil's Editorial Comment, News and Views

Dear Collector,

This catalogue should arrive a little earlier than usual as we have tried to complete it in advance to give the Royal Mail a little more time to deliver postal bid forms to us.

You will find a good range of boxes in this auction, with material that ought to cater for all tastes. There are some interesting Commonwealth lots as well as a sprinkling of Polar related material and a good range of foreign collections.

We will be attending MidPex on Saturday July 5th at the Warwickshire Event Centre CV31 1XN. If you plan to be there, please stop by our stand to say "Hi". (No obligation to purchase anything, but every little helps)!

We will accept material at this auction for entry into subsequent auctions. If you want to bring material please see the "Vendor Notes" on page 18 of this catalogue.

For those who cannot attend the auction I can supply scans of relevant lots (where practical) or talk through lots with you on the telephone. Please avoid asking for scans or conversations on the Friday before the auction as it is usually a very busy day as we prepare for the auction.

We hope to see you at the auction but if you cannot attend then **please phone or email your bids to ensure they get in the mix.**
