Bil's Editorial Comment, News and Views

Dear Collector,

Welcome to the latest catalogue. It is wonderful to be able to hold a live auction again after all this time. We look forward to seeing you all again and to getting a little bit of normality back into our lives. The interim postal auction has worked but I think we have all missed the interaction, banter and people contact that is part of the live experience.

If you plan to attend the auction, then please be aware of the following:

- We have been told that there are no restrictions on the use of the facility.
However, everyone who attends must register before viewing or going into the dealer hall. This is important for our accountability of attendees.
- Feel free to wear a mask if that makes you more comfortable. The team that hands out the lots will have masks and gloves for their use.
- The layout for viewing may change to allow more space between viewers.
- The live auction layout may also change as we may have to remove tables and spread the chairs out a little more.
- We apologise in advance for any inconvenience caused by these changes.

Pre-Auction Viewing

We will expand the pre-auction viewing options for this Auction. We will hold viewing at Ancaster on the Tuesday to Thursday before the auction. There will be four 90-minute viewing sessions per day with a maximum of two viewers per session. There will be a break between each session to allow for cleaning.

The session times are 09:30-11:00, 11:30-13:00, 14:00-15:30 and 16:00-17:30

Pre-viewing must be booked in advanced, just call 01400 230769 and speak to Bil or Janet to get your session confirmed.

Vendor Material

We will accept pre-agreed material for future sales at this auction. All such material must be pre-registered as we have a finite limit to the amount that we can take.

To register material call Bil on 01400 230769.

No pre-auction agreement = no acceptance of lots on the day (sorry).

The “reminder” vendor notes printed in the last catalogue are repeated below:

- Label each lot with your name or identifier, number lots & provide a control sheet.
- You can specify reserves or leave that up to us.
- Minimum reserve is £10
- Binders, albums and Stock Books need to be wholesome and not falling apart
- Glory boxes must be able to be closed and/or have a lid in order to keep the contents secure.
- Please avoid empty binders, folders, old catalogues, post office literature and stamp magazines.
- No Austria and no Germany.

In this auction we hope you find something of interest and remember that I am happy to provide scans of appropriate lots or to talk through them with you on the phone. (01400 230769).

Please stay safe, take care and we look forward to seeing you again.

Bil, Janet, Martin, Phil, Gillian, Peter, Bryan, Steve and all the others, including guard dog and 'agilist' Kira 🐾🐾
