Bil's Editorial Comment, News and Views

Dear Collector.

Welcome to the latest catalogue.

The main news is that I have decided not to hold an auction in February and August next year (2026). There are many factors that have influenced this decision, and whilst I am disappointed to have made it, I believe it is the right decision in the circumstances.

Pre-Auction Viewing

If you want to view before the auction please call me on the landline to arrange a convenient date / time to visit us.

Vendor Material

We cannot accept any vendor material at this auction.

In this auction we hope you find something of interest and remember that I am happy to provide scans of appropriate lots or to talk through them with you on the phone. (01400 230769). (Please note that the Thursday and Friday prior to the Saturday auction are very busy, and to ask for scans or to view on those days is not a good idea).

Please stay safe, take care and we look forward to seeing you again.
