Bil's Editorial Comment, News and Views

Dear Collector,

Welcome to the latest catalogue.

The world remains a weird place, but there is plenty to take your mind off things. Such as – Summer is coming, the Queen's 70th Jubilee, holidays, the Stonedead Rock Festival at Newark, beer and, of course, philately. Remember stamps (and stamp auction catalogues) are only small things so you should have no problem hiding them in your suitcase when you go on holiday!

In this auction you will find some good "sorting" lots, as well as the usual range of countries and periods with, once again, a few Royal Mint coin lots at the end.

A couple of notes for you:

- Pre-Auction Viewing will be held on Wednesday 8th June. Please call Bil beforehand and book a slot.
- Vendor Material will be accepted by prior arrangement at this auction. Please call Bil beforehand to discuss what you have.

If you are not able to attend the live auction, bids are accepted by phone, email or post. Please post your bids early given the 'challenges' with the postal service.

In this auction we hope you find something of interest and remember that we can provide scans of appropriate lots or to talk through them with you on the phone. (01400 230769).

Please stay safe, take care and we look forward to seeing you at the auction.
