## Fill the Gaps – Editorial Comment, News and Views

Dear Collector,

Welcome to our latest auction catalogue - Fill the Gaps 26.

Summer is coming – start your holiday season here 😊. The weather is improving, and the garden growing and let's hope for a good summer this year. Remember even if you are away on holiday, it is quite possible to sneak an album/stock book or two into your luggage. Auction catalogues (light reading for the use of) don't weigh very much! If you are going away, then I hope the weather is kind to you and you have a good break.

A couple of requests:

- If you use email, please ensure you use [auctionsbil@btinternet.com](mailto:auctionsbil@btinternet.com) when contacting us.
- Please check bid forms before you send them as we still receive forms with no name on them!
- Please check bidding steps when bidding to ensure that your bids are valid.

We had an enjoyable visit to the Kettering Society Stamp Fair in April and have a few other trips planned. It is pleasing to see that stamp clubs & societies are opening up again as philatelic life gets back to normal.

The news about the machin stamps being discontinued and how they can be replaced has generated a lot of discussion, and I can see a lot of confusion ahead. The summary is that any machin stamp of any value without a barcode becomes invalid on January 31<sup>st</sup> 2023. If you don't want them in your collection, then you need to use them as postage or you can exchange them for machins with barcodes via the exchange program. For more details look at the Royal Mail website or talk to you local Post Office.

On the football front, unfortunately my gloom and predictions came to fruition. From the heady heights of touching 2<sup>nd</sup> place, QPR tumbled down the table winning four of their last eighteen matches. Oh well, there is always next season!

As always if you have any questions or comments, feel free to call, write or email.

**Remain Healthy and Positive and Best Wishes to you and yours**

Best Regards
