## Fill the Gaps – Editorial Comment, News and Views

Dear Collector,

Welcome to FTG 46. Please note that due to a family birthday, the closing date for this auction is one week later than usual. We will revert to the second Friday for FTG 47 in January.

Our postal situation remains variable, so we suggest bidding early if you use the postal service. Recently we have had first class letters take 13 days to reach us, and auction catalogues arriving well after the auction has happened! We are also approaching the time when postal prices increase – although I have not heard any details yet.

Throughout this auction you will find a sprinkling of booklets, and there is an extensive polar postal selection of lots at £2 reserve. There is also the usual mixture of countries and periods – so hopefully something of interest for all. Bargain Bid as usual at start of catalogue.

Please note:

- Use the [auctionsbil@btinternet.com](mailto:auctionsbil@btinternet.com) email address. We still receive bids and questions sent to the old email, and there is a risk these may be lost.
- **Bid as early as you can.** Bids via email or over the phone are accepted. We always receive late postal bids.
- **DON'T FORGET** to write your Name and Address on your bid form!

And finally.....football is back – although it never really seemed to go away. Them Superhoops have started with traditional brilliance and expertise with the highlight (so far) being an eight-goal thriller against Coventry (QPR got one ...). Ah well, I continue to live in hope.

As always if you have any questions or comments, feel free to call, write or email.

Best Regards

Bil Tilbury
