## Fill the Gaps – Editorial Comment, News and Views

Dear Collector,

Welcome to FTG 49.

Please be aware that postage prices are being increased from April 7<sup>th</sup>. First class will then be £1.80 and Second class 91p. Please be aware of this when sending in bids. The charge for delivering an underpaid item is currently £5 – and this (I presume) will increase as well. Be careful regarding these changes as an error can become expensive to fix,

The weather has also been interesting of late. At times I was torn between working on my auctions or building an ark given the amount of rainfall. It seems to have been raining for weeks – but you can be sure that in the summer there will be water shortages and hosepipe bans!

Regarding this auction I have added a “Thematics-Churchill” section containing a large number of items from various places under the broad category of British Locals. There will be more Churchill material in subsequent auctions as we have a large collection to dispose of.

Our usual reminders – as our postal service is not getting any better:

- Bid as early as you can. Bids via email or over the phone are accepted.  
We continue to receive late postal bids.
- Check you have written your Name and Address on your bid form and have sealed the envelope securely.

And finally.....QPR are on a run of four defeats in five games, haven't scored in the last three and are freewheeling down the table. Ten games to go and they will probably need to win two to stay in the division. Interesting times ahead! Mind you on a positive note it looks like our local team, Lincoln, will be promoted this year.

As always if you have any questions or comments, feel free to call, write or email.

Best Regards

Bil Tilbury
